

Is there a single human behavior underlying our wars and conflicts?

What do religion, science, reason say about this corrosive belief and practice?

What can we do to eliminate this destructive force?

"The World is in Travail..."
*Identifying and eliminating the
root of conflict and social upheaval*

Join us for a short presentation and informal discussion

Friday, May 4th 2018
doors open at 7pm
program begins at 7:30

The Bahá'í Center of Washtenaw County
5550 Morgan Road, Ypsilanti
